

Disaster First Aid Training

It is extremely important to be able to take care of yourself and others after a disaster. This 8-hour class includes a certified First Aid/CPR course. In addition, you will learn techniques dealing with multiple injuries resulting from a major disaster where 9-1-1 is overwhelmed and unavailable. This includes:

- Triage & prioritizing injuries
- Lifting & carrying techniques
- Treating broken bones
- Safety practices
- Practice using items that can be found around your home!

Instructor: Tony Bennett,
a veteran Seattle firefighter
